

**40 %**

of used cars exported from 2015 to 2020 ended up in Africa

**up to 95 %**

of annual car registrations in African countries are for used vehicles

**9 of 54 countries**

have sufficient regulations governing the import of used vehicles

**Agora Verkehrswende and GIZ (2023) | Note:** Please note that this map uses a projection type that is not true to the area of the depicted land masses. Therefore, the African continent is shown here in a reduced size compared to the oversized Global North. Also, cartographic presentations in no way constitute recognition under international law of boundaries and territories.
